**THE WINE LOFT PRESENTS:
WOMEN FOR WINE – A Wine Tasting**

Charlotte, NC June 7th, 2010--On June 16th, 2010, between 7:00pm and 10:00pm, The Wine Loft will be launching its inaugural networking event dedicated to the women business professionals of Charlotte. The event will recur on a monthly basis, and each one will honor a different business professional who is developing and participating in new and unique projects in and around the Charlotte region. This particular event is a wine tasting that offers a delicious array of summer sippers from around the world.

It is a wonderful opportunity not only for women professionals to come together in a relaxed social setting and forge new relationships, but it is also a chance to promote local businesses and honor those individuals who have been working diligently to create awareness and affect change within their own community.

On this particular evening, we will be honoring Cigi Guzman, co-founder of The Flock Apparel and the Public Photo Shoot Project (PPSP), a collaborative fashion and photo project that embraces the diversity, richness, and beauty of everyday people, otherwise known as the 'human flock'. More information for PPSP can be found on www.publicphotoshootproject.com.

Title sponsors include Project Go, Jon Ric Salon and Spa, Elevate Lifestyle, <http://www.waxMAMA.com>, 704 Events, and New American Mortgage. Tickets are \$25.00 and can be purchased at www.bandtastic.com/women-for-wine. For information on group rates, please contact Constantine Mouzakitidis at the information listed below. Complimentary hors d'oeuvres will be served and free parking will be available at the rear of the establishment.
